

eServGlobal Appoints New Director.

Sydney 25 November, 2005

eServGlobal Limited (ASX: ESV and LSE: ESG), a worldwide supplier of independent and flexible network intelligence systems, today announces the appointment of Mr Roger Agniel to the Board of Directors, as an Executive Director.

Mr Agniel has extensive experience in the international telecommunications industry and was most recently the CEO of Ferma SA. He was previously a General Manager at Thales Group, the major French electronics company, at the Compagnie des Signaux and at Cables Pirelli. He was also Chairman of the Syndicat des Tubes Electroniques et Semi-conducteurs. He holds a Ph.D in Electrical Engineering from University of California at Berkeley.

eServGlobal's Executive Chairman, Mr Ian Buddery, said, "We are delighted to welcome Mr Agniel to our board, where his extensive experience and industry knowledge will be a great contribution to our continuing success."

About eServGlobal

eServGlobal Limited (ASX:ESV & LSE:ESG) delivers *Better Network Intelligence*. eServGlobal specializes in independent and flexible network intelligence systems so that enhanced telecoms services can be launched and individualized faster.

eServGlobal's systems are deployed in the networks of leading operators worldwide and support over 300 million revenue-generating calls every day.

By continually aligning its product offering with operator needs, eServGlobal ensures that leading operators maximise their return on investment and achieve long-term cost of ownership advantages.

Headquartered in Sydney, Australia, eServGlobal has operations in China, Belgium, Denmark, Egypt, France, Germany, India, Indonesia, the Netherlands, New Zealand, Poland, Romania, the UAE and the UK.
